

STATE COUNCIL ON STATISTICS OF THE REPUBLIC OF ARMENIA

30 January 2014

No.03-A

Yerevan city

RESOLUTION

ON THE APPLICATION OF THE DECLARATION ON PROFESSIONAL ETHICS
ADOPTED BY THE INTERNATIONAL STATISTICAL INSTITUTE COUNCIL ON 22 & 23
JULY 2010 IN REYKJAVIK (ICELAND) BY THE NATIONAL STATISTICAL SERVICE OF
THE REPUBLIC OF ARMENIA

Taking into account the connection of statistics with the all spheres of public life, the peculiarity of the profession of a statistician, the importance of implementation of statistics exceptionally according to the international standards, realizing the responsibility of a statistician towards the society, i.e. users, respondents and other partners, considering inevitable the probability of diverse perception of statistics and its production, taking into account the vulnerability of trust in statistics, and, conditioned by other similar factors, accepting the need to keep the professionalism, ethics and correctness in the area of the implementation of statistics, the State Council on Statistics of RA decides:

1. To express its ideological identity of views to the [Declaration on Professional Ethics](#) (Declaration) adopted by the International Statistical Institute Council on 22 & 23 July 2010 in Reykjavik (Iceland) in order to guide the professional values and experience in the field of statistics and to apply it in the activity of the National Statistical Service of RA.
2. To suggest to other subjects dealing with the statistical activity to follow the Declaration.

Chairman

S. Mnatsakanyan
