Buildings of Higher State Education Establishments for 2003/2004 Academic Year

(sq.m)

	Total floor space of building	Leased floor space	Out of total floor space			
			Let out for lease	Used by purposes		
				Educational	Auxiliary educational	Auxiliary
Total	197158	118671	705	120789	20756	54908
including educational buildings	168776	105967	525	109874	17417	40960
educational and laboratorial buildings	9367	8064	-	7006	2161	200
hospices	1215	715	-	655	500	60
other buildings	17800	3925	180	3254	678	13688

Thus, in 93 state and non-state higher education establishments and their 10 branches within the republic, 21475 (female-11670 or 54.3%) people entered, 77944 (female-43514 or 55.8%) studied and 11698 (female- 6518 or 55.7%) graduated during 2003/2004 academic year.

89.3% of leased territories of state and non-state higher education establishments were educational buildings, 6.8% - educational and laboratorial buildings, 0.6% - hospices and 3.3% - other buildings, and 87.5% of floor space let out for lease were educational buildings, 9.9% - educational and laboratorial buildings and the other 2.6% - other buildings.

Specific Indicators on Use of Buildings and Constructions of Higher Education Establishments

(sq.m)

		Total floor space of building (including leased territories)	Out of total floor space				
			Let out for lease	Used by purposes			
				Educational	Auxiliary educational	Auxiliary	Residential
State	Per higher education establishment	21016.5	256.6	8431.1	7108.6	3726.3	1493.9
	Per 100 students	939.6	11.5	376.9	317.8	166.6	66.8
Non-state	Per higher education establishment	2700.8	-	1654.6	284.3	752.2	9.7
	Per 100 students	895.5	-	548.6	94.3	249.4	3.2

1170 students of state higher education establishments have need for hospices, 53.7% of them provided with hospices, and in non-state education establishments: 47 and 59.6% correspondingly.
